

TOWN OF GORHAM  
CONSERVATION BOARD  
MINUTES  
September 2, 2008

The Town of Gorham Conservation Board met on Tuesday, September 2, 2008 at 7:00 PM at the Gorham Town Hall. Present were, Gene Hermenet, Bill Johnson, Bob Brancato, John Foust, Andrew Hoover, Fred Lightfoote, Gordon Freida.

Board did a quick review of progress to date regarding scenic view documentation. Raised challenges of having specific criteria to evaluate all scenic views. Recommended that when reviewing potential building or going after grant the Conservation Board should physically view and asses view.

Scenic and Historical trail maps, proposed and discussed.

John Foust will talk to Maria Rudzinski about the above two items.

Gordon Freida, Code Enforcement Officer and the Board discussed how to work more effectively in the future. Gordy explained his position and responsibilities and the processes that are in place for new construction and variances. He passed out two sets of handouts. Gordy will contact Gene Hermenet regarding incoming applications to see if any application would be appropriate for the Conservation Board to review.

Board members discussed ways to identify potential land and potential ways to preserve sites. Contact Finger Lakes Land Trust, Betsy Landry; Gene Hermenet will make contact. Bob Brancato will research certain sites.

The meeting was adjourned at 9:00 PM

Minutes were taken by Bob Brancato.
