6) Action Plan

- Georganna & Brett price out buckets and bio bags.
- Keith & Ben work on numbers for budget money use.
- Lynn & Brian work together to get cost estimates for Green Days to give to the Town Board.
- Brett will work on a year-end report for the Town Board.

7) Privilege of the Floor –

Brett has information for Tree City USA. He would take the ECB through four steps. The Town would need to write an ordinance.

Lynn suggests the ECB submit a formal request to the Town Board encouraging the Town to become a Lake Friendly Lawn Care Leader by not applying pesticides on Town property.
